

# COVID-19 UPDATE

The situation regarding the Coronavirus continues to evolve daily. We are all coming together and doing our best to play our part in responding to the Covid-19 emergency. It is a very difficult time for us all and our lives now are completely different to what they were a number of weeks ago and this is expected to continue for some time yet before normality returns.

Here at Unique Financial Services Ltd the health & safety of our staff & clients is paramount. We have taken steps to protect our staff and to continue to maintain our service to you during this time by working from home. We are supporting the Government and HSE advice at all times, including the need for everyone to stay at home except for essential service providers.

Therefore to ensure our clients continue to receive support & advice and our staff stay protected we will not be meeting with you in person until further notice. We ask you to send all your communications where possible via email to [info@uniquefs.ie](mailto:info@uniquefs.ie) or to [kevin@uniquefs.ie](mailto:kevin@uniquefs.ie). You can also contact our advisors directly on their mobile phone telephone numbers. We would ask you not to ring our local office telephone as it will be unattended until further notice.

We continue to monitor the situation and we will update you as things change. We value your business and we would like to reassure you that we will continue to operate a service to you in the best way we can over the coming weeks. Stay Safe, Stay at Home and keep to the HSE guidelines and we will all get through this together.

**Regards**
